COVID-19 Prayer Calendar

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
22	23 Pray for Italy where 793 people died on Saturday due to COVID-19. Pray for the bereaved families, for the country's public health, against a sense of despair, & for residents to heed the advice of medical professionals.	24 Pray for our healthcare workers who are serving on the front lines during this pandemic. Pray for their health, energy, & rest. Also pray they have sufficient supplies. Pray that test kits become available for everyday people & that they are reasonably priced.	25 Pray for our elected officials to govern with wisdom, compassion, mercy, & justice. Pray that they have, or develop, a healthy fear of God. Pray that they will be led by the Holy Spirit during this pandemic & not just by human strategies.	26 Pray for the most vulnerable: the immunocompromised, homeless, elderly, incarcerated, & undocumented. Pray for God's protection, provision, & presence to be with them during this season.	27 Pray for those who have been recently laid off due to a slowed economy. Pray for families who are wondering how they will pay the rent, put food on the table, & make ends meet amid this crisis.	28 Pray for small business owners who are detrimentally impacted by COVID-19. In particular, pray for owners that have had to close, lay off workers, & honestly don't know how they're going to survive & provide for their families (for those who have families).
29 Pray for Asian & Asian American communities impacted by xenophobia, racial/ethnic profiling, scapegoating, hate crimes, & business boycotts.	30 Pray for those who are still working to keep society functioning: grocery store employees, gas station workers, custodians, & public transportation & sanitation workers.	31 Pray for those who have been diagnosed with COVID-19. May they experience God's comforting presence & healing hand.
